

To fellow lions and lionesses,

The Vancouver Templeton New Century Lions Club would like to invite you all to come for a fashion show fundraiser. All net proceeds from fashion show ticket sales, raffle draws, and cash donations from sponsors will be donated toward the YWCA youth programs. As Young lions, we support the development of healthy youth and one of our goals is to promote youth involvement within the community. We are aiming to raise \$5000 from the event. We hope that you will consider helping us achieve this target. These funds directly benefit the youth of tomorrow.

There will also be a opportunity for you to purchase the clothes that are featured in the fashion show. CASH WILL BE ONLY ACCEPTED.

Clothes and fashion are picked out by L & T Fashion, inspired by trends and styles from the East.

Expect:

- wearable and still hitting all major trends
- perfectly fitted garments
- unusual colour schemes
- something aside from generic mall apparel
