

19A FIVE STARS

TWINNING CEREMONY

"JOINING FORCES.... STEP UP & THINK BEYOND...!"

Twinning provides Lions, Leos & Lioness clubs with an opportunity to learn about another clubs and their cultures. Twinning is not to be initiated to persuade others to adopt one's ways nor is it to be entered into for financial or material assistance.

The development of a twinning relationship is to establish stronger bonding among the members of the twinned clubs; to share information and new ideas for the possibility of joint community service projects, and to work closely for the betterment of the Lions' motto of "WE SERVE."
