When we took on the position of Zone Chairman, we took on a responsibility. That responsibility was to all members in our Zones. We took on the responsibility of leading all A1 and A7 clubs to a level higher than they ever thought of achieving. And WE believe this can happen.

When every President and Secretary took on

their present position within their club, they took on a responsibility with that position. They are responsible to every one of their club members.

We believe every President can fulfill their duties of making their club the best club in the zone. All A1 & A7 Presidents should make 100% with very little effort. After all, you were elected

President for a reason. You are all LEADERS. Everyone of you should make 100% with no problem.

Our Mottos this year are:

"BE WISER THAN OTHER PEOPLE IF YOU CAN; BUT DO NOT TELL THEM SO."

"JOINING FORCES...STEP UP & THINK BEYOND"

and this is what we expect all the clubs in the zones to take to heart. A club alone can only achieve so much, but by "joining forces, step up & think beyond", there is no

limits to what a club can achieve.

Visit other clubs this year, open your clubs to visit by others, join in on Community projects, fundraisers, and have FUN.

It wasn't until we roamed outside of our club, that we began to really understand what LIONISM was all about.

There is a world of Lions out there, waiting to help,

A Grandfather’s Prayer to my first grandson, Kieran

On the day that you were born, I said a prayer, and thanked the Lord. To your mom and dad, he gave a son, A beautiful child, equal to none. Strong and healthy, with a heart of gold, A child blessed, who we will hold, Up high for all the world to see. But none will be as proud as me. I'll share your life, and let you know, That I will always love you so. Remember me, and when you do, Say a prayer for Grandpa too. ~ Grandpa “ZC “ Troy ~

The “Karl Gung and Vancouver Marpole Lions Club Bursary Fund” granted to Joshua Wong and Angie Ramey at Point Grey Secondary School, Vancouver by Lion Bob Stickney, PP & Secretary, Vancouver Marpole Lions Club, 2007.

The Tour launched with well over \$30,000 in pledges and donations, to Parkinson's disease research, and more events en-route will increase this total. Congratulations, Lion Branko, THAT'S HUGE SERVICE TO OUR COMMUNITY!
~ PZC Marco Radunz, Vancouver South Lions Club ~
