Dear Fellow Lions,

I am proudly presenting to you our new “Lady Lion Quintet”, aka, District 19A Family and Women Membership Development Committee! We have IPZC Ellie, PCS Grace, PZC Teresa, Lion May on promotions/public relations, and myself on conducting, improving and orchestration.

The players in this quintet are well equipped with life experiences, Lion’s knowledge and exceptional people skills! Undoubtedly, it will perform better than a full orchestra because it has five sophisticated players who play from their hearts and souls.

The truth of the matter is that there has been a 30% drop of women Lions in past years! Clearly, the purpose of my position and the formation of this quintet is to help recruit new women and family Lion members. We would like to convey a strong message to arouse awareness within our District that women members play very important roles in Lions clubs and that family members’ participations can strengthen family ties via Lions clubs.

THE PROGRAM:

Our promotions/public relations committee members, IPZC Ellie, PZC Teresa and Lion May are model women Lions and have agreed to convey our purpose as they participate at various casual gatherings, functions, meetings, special events, and/or visitations. Our “Masterpiece” this year is the creation of a monthly newsletter. It includes feature interviews with “the Diva” (exceptional woman Lion), outstanding partners in service (women behind the scenes or side-by-side partners), and model Lion families. Our editor is PCS Grace.

In order to work efficiently and to collect some background information on these selected “VILS” (very important Lions), a standard questionnaire will be sent out to them in advance, so they can reply in writing prior to the interview. The interview will take about half an hour, at which time pictures will be taken and the facts collected from the questionnaire will be clarified.

here we come!**

WE ARE LIONS

WOMEN LIONS DEVELOPMENT

🌟 **Looking for New Experiences?** Are you interested in helping others? Meeting new people? Making an impact at home, and around the world? Lions club members use their time and many talents to provide hands-on assistance to enhance their communities. Through these experiences, members acquire new skills, cultivate lasting friendships, meet challenges head-on, and learn a lot about themselves in the process.

🌟 **Looking for Fulfillment?** When was the last time you did something for yourself? Something that made you feel wonderful? Something that made the world around you a better place? Volunteering your time not only helps those in need, but also gives you a sense of pride and accomplishment that comes from deep within. There is nothing like that feeling in the world.

🌟 **Looking for Opportunities?** Do you want to pursue a leadership role? Would you rather lend a helping hand when needed? Lions clubs offer extensive opportunities for the kind of volunteer experience you desire. You have the alternative to work on projects that interest you, to get on a leadership track, or to engage in both, all while enriching lives.

LOOK NO FURTHER

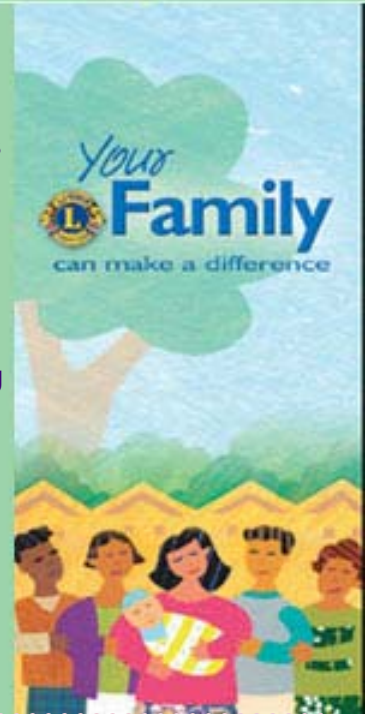

If you are looking for an opportunity to help people, broaden your horizons, and fulfill your goals, Lions Clubs International has what you are looking for. Lions clubs offer an amazing spectrum of possibilities. With a distinguished legacy that has retained its relevance through the years, Lions Clubs International is the premier service club organization in the world. In addition to meeting needs wherever they exist, Lions clubs provide opportunities for women to learn, grow and assume leadership roles.

Families that volunteer together,
grow together.

Looking for FUN new ways to spend time with your family? Would you like to work with FAMILY members and friends to build a playground, clean up a river or collect food for a food pantry?

Do you want to show your children the importance of VOLUNTEERING and helping others?

Are you interested in connecting with other families to IMPROVE the area where you live or provide medicine to save the plight of children in Africa?

Feel free to forward our newsletter
to your friends, relatives,
and any potential lions member.
