Don't miss this year's Medal of Merit Dinner on Sunday, May 4th, 2008 at the Westin Bayshore Hotel in Vancouver to honour Mr and Mrs Joseph Segal. Please contact event chairs Lion Paul Wong and Lion Linda Wong for more information.

Mr. Joseph Segal

Joseph Segal, an outstanding British Columbian and a Canadian merchandising legend, has given unstintingly of himself and his resources for the betterment of our province.

Born in Vegreville, Alberta, Mr. Segal served overseas with the Calgary Highlanders for two and half years.

After moving to Vancouver he opened a small retail family clothing store there in 1950. It was the successful start of what became a chain of 70 Fields Stores, a corporation which acquired Zellers in 1976 and eventually became the largest single owner of the Hudson's Bay Company.
